

#### The Tilbury Wine List

Our wine list is a labour of love and something we hold immense pride in. It has always been a passion of ours to have wines available that complement our food and enhance your dining experience. We work very closely with James from Wine2Trade to create a list we feel offers exciting wines & great value, from house wines to those from iconic producers.

We have held an AA Notable Wine List consistently since 2017 which for us is an incredible achievement, with as few as 250 restaurants across the country awarded this each year.

The list starts with our 'Core White List' & 'Core Red List', a selection of wines highlighting a variety of styles & price points for an accessible quick choice. For those that wish to explore our full extensive list, keep turning, we have some real treats to be discovered.
